Consultation over Charnwood Local Plan modifications

Charnwood Local Plan 2021-37

A consultation is underway over proposed changes to the draft Charnwood Local Plan 2021-37 as the process to develop it reaches an advanced stage.

The draft Local Plan provides a robust strategy for growth in Charnwood and identifies how the borough will meet Government targets for new homes, as well as providing employment land and critical infrastructure. It will also help safeguard the environment.

Several phases of consultation have been carried out in recent years and the plan is currently being scrutinised by independent planning inspectors in the examination phase.

Following a series of public hearings, there is now a consultation on some proposed changes, or main modifications.

This takes place from Wednesday July 17 until 5pm on Wednesday September 4.

For more information about the consultation and how to take part, please visit www.charnwood.gov.uk/localplan.

Paper copies of the modifications will also be placed in the Council offices in Southfield Road, Loughborough. Responses can be submitted in writing to the

Local Plans Team, Charnwood Borough Council, Southfield Road,
Loughborough, Leicestershire LE11 2TN.

When the consultation ends, the planning inspectors will consider any comments made before writing a report to the Council about if the Charnwood Local Plan 2021-37 is sound based on the changes made as part of the main modifications consultation. The Council can then consider adopting it.

ENDS
